

ENERGY ARKANSAS, LLC – Arkansas Cypress Solar and Battery Project QUESTIONNAIRE

This questionnaire is designed to help you identify issues related to the planning and construction of a new power generation and power storage facility (Facility) in Pulaski County, Arkansas. Your answers will assist the project team in understanding public interests and concerns and will allow the team to consider this information in the planning process. Please complete this questionnaire **after** you have reviewed the information presented on the informational website for the project. Thank you for taking the time to provide input.

Name _____

Address _____

City/ST/Zip _____

Tel. # _____

Email _____

PROJECT NEED

1. Do you believe the need for this Facility has been explained adequately?
 Yes No Uncertain

If “no” or “uncertain,” what additional information would be helpful to you?

PROJECT CONSIDERATIONS

2. The location and operation of a Facility involves many considerations. Please circle the number corresponding to the level of importance of each factor to you. Your ratings will help us evaluate the project.
